

Greater Augusta Utility District
JOB POSTING
Distribution Operator

The Greater Augusta Utility District is accepting applications for the position of Distribution Operator to perform technical and operational work installing, maintaining, troubleshooting and repairing systems related to water and wastewater treatment, pumping and storage facilities as well as other facilities throughout the District.

Position requires the employee to be on call after hours on a rotating basis, including answering a pager and staying within a 20-minute response time.

Qualified applicants will possess a high school diploma or equivalent and have experience in the operation and maintenance of wastewater treatment plants or other related experience. A valid Class C Maine driver's license is required. Class II water treatment and distribution system licenses or the ability to obtain such within 24 months are required.

This is a year-round, full-time position. Pay is currently \$24.45 per hour. The District offers a comprehensive benefit package including retirement, family medical/dental insurance and generous leave benefits.

To apply, please submit a letter of interest and resume to Melanie Anair,
Human Resources
12 Williams Street, Augusta, ME 04330 or
manair@greateraugustautilitydistrict.org

**This position will remain open until a suitable
candidate is found.**
