**SKOWHEGAN  
WATER POLLUTION CONTROL PLANT  
MAINTENANCE MECHANIC VACANCY**

The Town of Skowhegan is currently accepting applications for a full-time Maintenance Mechanic at the Town of Skowhegan Water Pollution Control Plant. The ideal candidate will have a wide range of experience with mechanical, plumbing, and electrical maintenance and repair and be able to maintain records of the work performed. Experience with pumps and other wastewater treatment-related equipment is preferred but is not required. This individual will often work independently and must be a self-starter and able to prioritize the work schedule. Will be on call every third week and must respond to any alarm calls within 45 minutes of being paged. Must possess a High School Diploma or its equivalent and the physical strength and agility to perform the duties of the job. A State of Maine Class B driver's license must be obtained within six months of the date of hire.

A competitive wage and benefit package will be offered to the qualified candidate.

Resume/applications will be accepted until the position is filled. Qualified applicants may submit their resume/application to the following address:

Town of Skowhegan  
Attn: Trisha L. Austin, Human Resource Director  
225 Water Street  
Skowhegan, ME 04976
