Greetings,

The Maine Water Environment Association and New Hampshire Water Pollution Control Association are proud to announce the 15<sup>th</sup> Annual Ski Day at Saddleback Mountain located in Rangeley, ME on March 14, 2024. This event is a great opportunity for members of both Associations to network and exchange information face-to-face while having fun on the slopes.

Maine Water Environment Association and New Hampshire Water Pollution Control have been collaborating on Ski Day for many years. This event has proven to be a great way to expand network possibilities within our wastewater communities and we get to celebrate both associations with a wonderful event at Saddleback Mountain!

Our Associations and our members will be grateful if you can help sponsor the Ski Day event. Your sponsorship will help cover costs for the lunch and après ski beverages and hors d'oeuvres to make this an enjoyable and memorable event.
