

VEAZIE SEWER DISTRICT

The Veazie Sewer District is seeking a full time assistant operator for its Grade II Wastewater Treatment Facility.

Duties include:

- Wastewater lab testing
- System and equipment maintenance
- Grounds maintenance
- Administrative tasks and other assigned duties

Must be able to respond to call-ins at any time and is required to be on standby duty

A High School Diploma, experience with Microsoft Office, and a background check are required. The candidate is expected to obtain a Grade 1 Wastewater License within one year of hire.

The District offers: paid holidays, over time for call-ins, vacation and sick time, health and life insurance, and matching contributions to retirement plans.

A complete job description is available upon request. The position will be posted until it is filled. Please submit a cover letter, resume, and a list of references to:
dmclaughlin@veaziesewerdistrict.com.
