

WASTEWATER ASSISTANT OPERATOR JOB OPENING VEAZIE SEWER DISTRICT

Veazie Sewer District

January 15, 2019

Wastewater Treatment Facility Assistant Operator/Lab Technician

The Veazie Sewer District is seeking a full time assistant operator for its Grade II Wastewater Treatment Facility.

Duties include:

Wastewater testing

System Operations and equipment maintenance

Grounds maintenance

Administrative tasks and other assigned duties

Candidates must be able to respond to call-ins. A High School Diploma, experience with Microsoft Office, and a background check are required. The candidate is expected to obtain a Grade I Wastewater License within one year of hire.

The District offers: paid holidays, over time for call-ins, vacation and sick time, health and life insurance, and a matching contribution towards a retirement plan.

A complete job description is available upon request. The position will be posted until it is filled. Please submit a cover letter, resume, and a list of references to: capplebee@veaziesewerdistrict.com
